HobbyBuddies

Because hobbies are
better with buddies!

Why Hobby Buddies?

- The 3 E's

The Market

- Keen for something new?
- Don’t have anyone to try it with?
- Bored of hiking by yourself?

Becoming a Hobby Buddy - Walkthrough

Design Process - Stage 1

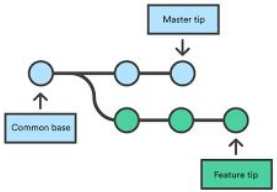
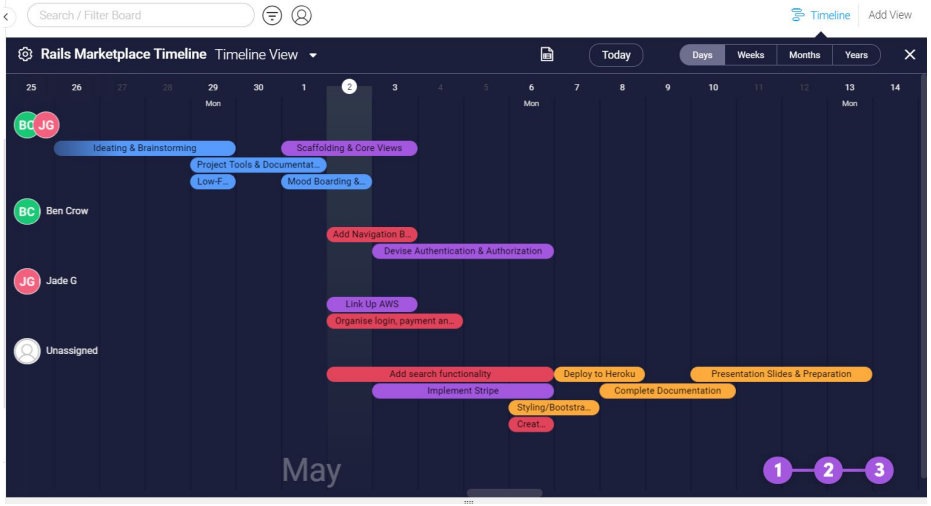
Development/Build Process

Our build process revolved around the MVC structure, third party integrations and planned features.





Challenges

- Third Party Applications and Documentation
- Effective division of tasks.
- Feature creep
- Load times and site efficiency
- Master key

Ethical Issues

- Site Content and Copyright
- Potential misuse of the application
- Privacy and sensitive information
- Text and photo filters

Favorite Parts

- Devise
- Scaffolding
- Getting the stripe checkout to work!
- A functional app!
